"Existence of Hell and the Devil!"

The existence of Hell and the devil - or Satan - is a reality that are not visible to our eyes, but that is no reason to say they do not exist. We know that there are things that are not visible to our eyes, but real, such as the scent of a flower, the warmth of the sun, the cold, the wind, etc. Similarly, hell and the devil can exist despite our not seeing them. As for Hell, we cannot doubt its existence, for the Lord God, the Almighty, does not lack the power to create somewhere in the universe, a great place of hellfire for all evil Spirits. We cannot even say that there is no space in the universe to create such a place. With regard to the devil, we cannot doubt his existence, even though he is invisible by nature, because the human being also possesses an invisible spirit within his body. When a man dies, who can say that they have seen his spirit leave his body? Concerning the existence of Hell and the devil, we can refer to some quotations from the Holy Scripture where the eternal fire, the fire of Gehenna and the devil, or Satan, are mentioned. These quotations are in the Holy Gospel of Jesus, the book of Genesis and the prophetic vision of the Apocalypse received by God's servant, John.
Since the book of the vision of the apocalypse speaks of a blessing for the one who reads it, then it is good to read the following two initial parts:

1) Revelation of the Apocalypse to John:

(This is the Revelation of Jesus Christ, which God gave him to show to his servants the things which must happen soon, which he sent and made known by his angel to his servant, John, who testified to God's word and of the testimony of Jesus Christ, about everything that he saw. Blessed is he who reads and those who hear the words of the prophecy, and keep the things that are written in it, for the time is near.) Revelation 1 : 1

2) Initial part of John's vision:

(I John, your brother and partner with you in the oppression, Kingdom, and perseverance in Christ Jesus, was on the isle that is called Patmos because of God's Word and the testimony of Jesus Christ. I was in the Spirit on the Lord's day, and I heard behind me a loud voice, like a trumpet saying, "What you see, write in a book and send to the seven assemblies: to Ephesus, Smyrna, Pergamum, Thyatira, Sardis, Philadelphia, and to Laodicea." I turned to see the voice that spoke with me. Having turned, I saw seven golden lamp stands. And among the lamp stands was one like a son of man, clothed with a robe reaching down to his feet, and with a golden sash around his chest. His head and his hair were white as white wool, like snow. His eyes were like a flame of fire. His feet were like burnished brass, as if it had been refined in a furnace. His voice was like the voice of many waters. He had seven stars in his right hand. Out of his mouth proceeded a sharp two-edged sword. His face was like the sun shining at its brightest. When I saw him, I fell at his feet like a dead man. He laid his right hand on me, saying, "Don't be afraid. I am the first and the last, and the Living one. I was dead, and behold, I am alive forever and ever. Amen. I have the keys of Death and of Hades. Write therefore the things which you have seen, and the things which are, and the things which will happen hereafter.) Revelation 1 : 9

This is followed by some references from the Holy Bible, where Hell and the devil are mentioned and some personal testimonies on the existence of the devil.

"About Hell"

---

1) Revelation of an Angel about the existence of eternal hellfire in John's vision:

(I saw an angel flying in mid heaven, having an eternal Good News to proclaim to those who dwell on the earth—to every nation, tribe, language, and people. He said with a loud voice, “Fear the Lord, and give him glory, for the hour of his judgment has come. Worship him who made the heaven, the earth, the sea, and the springs of waters!” Another, a second angel, followed, saying, “Babylon the great has fallen, which has made all the nations to drink of the wine of the wrath of her sexual immorality.” Another angel, a third, followed them, saying with a great voice, “If anyone worships the beast and his image, and receives a mark on his forehead or on his hand, he also will drink of the wine of the wrath of God, which is prepared unmixed in the cup of his anger. He will be tormented with fire and sulfur in the presence of the holy angels and in the presence of the Lamb. The smoke of their torment goes up forever and ever. They have no rest day and night, those who worship the beast and his image, and whoever receives the mark of his name. Here is the perseverance of the saints, those who keep the commandments of God and the faith of Jesus.”) Revelation 14 : 6

In this part of the vision of the apocalypse, the third Angel announces the eternal torture with fire and brimstone reserved for all those who will worship the beast and its statue, and receive its mark on their forehead or hand.
This worship of the beast and its statue represents man's worship of the devil and material idols.
The mark on the forehead or hand represents man's final acceptance of worshipping the devil and material idols instead of God, accepting on his body a mark of identification or belonging to Satan, linked to the name of the beast.

2) Another revelation about the existence of eternal hellfire in John's vision:

(The devil who deceived them was thrown into the lake of fire and sulfur, where the beast and the false prophet are also. They will be tormented day and night forever and ever.) Revelation 20 : 10

This quotation from the vision of the apocalypse gives us a clear understanding of the existence of the eternal hellfire, into which the devil and his servants will be cast.

---

3) God's revelation of the existence of eternal hellfire in John's vision:

(He who sits on the throne said, “Behold, I am making all things new.” He said, “Write, for these words of God are faithful and true.” He said to me, “I am the Alpha and the Omega, the Beginning and the End. I will give freely to him who is thirsty from the spring of the water of life. He who overcomes, I will give him these things. I will be his God, and he will be my son. But for the cowardly, unbelieving, sinners, abominable, murderers, sexually immoral, sorcerers, idolaters, and all liars, their part is in the lake that burns with fire and sulfur, which is the second death.”) Revelation 21 : 5

In this part of the vision of the apocalypse, the Lord God himself lists all those for whom the fiery pool of fire and brimstone is reserved, going to a second death, after being first resurrected and condemned by God.

---

4) Jesus' statement on the existence of the fire of Gehenna or eternal hellfire:

(“You have heard that it was said to the ancient ones, ‘You shall not murder;’ and ‘Whoever murders will be in danger of the judgment.’ But I tell you that everyone who is angry with his brother without a cause will be in danger of the judgment. Whoever says to his brother, ‘Raca!’ will be in danger of the council. Whoever says, ‘You fool!’ will be in danger of the fire of Gehenna.) Matthew 5 : 21

With this quotation from the Gospel, the Lord Jesus has made it clear to us that there is an infernal fire called Gehenna, which is also destined for those who allow themselves to seriously offend their neighbour.
With the following, the Lord Jesus made us understand instead what respect for one's neighbour should be:

(Behold, one came to him and said, “Good teacher, what good thing shall I do, that I may have eternal life?” He said to him, “Why do you call me good? No one is good but one, that is, God. But if you want to enter into life, keep the commandments.” He said to him, “Which ones?” Jesus said, “‘You shall not murder.’ ‘You shall not commit adultery.’ ‘You shall not steal.’ ‘You shall not offer false testimony.’ ‘Honor your father and your mother.’ And, ‘You shall love your neighbor as yourself.’”) Matthew 19 : 16

---

5) Another statement by Jesus on the existence of Gehenna or eternal hellfire:

(Don’t be afraid of those who kill the body, but are not able to kill the soul. Rather, fear him who is able to destroy both soul and body in Gehenna.) Matthew 10 : 28

With this statement, the Lord Jesus has confirmed the existence of hellfire, into which God the Father will cast men judged to be 'cursed', destroying their material bodies and making their souls suffer eternally
The next Gospel quotation confirms the final judgement of man by the Lord Jesus.

---

6) Another statement by Jesus on the existence of eternal hellfire:

(Then he will say also to those on the left hand, ‘Depart from me, you cursed, into the eternal fire which is prepared for the devil and his angels;) Matthew 25 : 41

Also with this Gospel quotation, the Lord Jesus declared the existence of eternal fire, for all those who will be judged as 'cursed' on the Day of Judgement, together with the devil and all the evil angels.

‘Concerning the Devil’

---

1) War in heaven against Satan and his rebel Angels:

(There was war in the sky. Michael and his angels made war on the dragon. The dragon and his angels made war. They didn’t prevail. No place was found for them any more in heaven. The great dragon was thrown down, the old serpent, he who is called the devil and Satan, the deceiver of the whole world.
He was thrown down to the earth, and his angels were thrown down with him.) Revelation 12 : 7

As we already know, Satan is an Angel of God turned evil, along with other Angels. These spirits once lived in heaven, but having rebelled against God they were expelled and precipitated to earth by Angels faithful to the Lord. Consequently, they find themselves tempting and tormenting human beings because of their hatred of God.

---

2) Devil's deception of Eve, Adam's wife:

(Now the serpent was more subtle than any animal of the field which Yahweh God had made. He said to the woman, "Has God really said, 'You shall not eat of any tree of the garden'?" The woman said to the serpent, "We may eat fruit from the trees of the garden, but not the fruit of the tree which is in the middle of the garden. God has said, 'You shall not eat of it. You shall not touch it, lest you die.'" The serpent said to the woman, "You won't really die, for God knows that in the day you eat it, your eyes will be opened, and you will be like God, knowing good and evil." When the woman saw that the tree was good for food, and that it was a delight to the eyes, and that the tree was to be desired to make one wise, she took some of its fruit, and ate. Then she gave some to her husband with her, and he ate it, too.) Genesis 3 : 1

The account of Adam and Eve's original sin makes us realise how the devil acted to deceive the woman. The deception took place by means of a snake, who conversed with the woman, not because a snake can speak, but because the Spirit of the devil can speak by means of a snake, after possessing it. Just as the devil can possess a man, in the same way he can possess an animal. Just as the devil can speak through a man, in the same way he can speak through an animal. An example of animal possession is given in the Gospel account of the herd of swine possessed by a legion of evil Spirits, who were plunged over the cliff at the time of Jesus. The story is at point No. 4.

3) Boy possessed by the devil and delivered by Jesus:

(One of the multitude answered, "Teacher, I brought to you my son, who has a mute spirit; and wherever it seizes him, it throws him down; and he foams at the mouth, grinds his teeth, and becomes rigid. I asked your disciples to cast it out, and they weren't able." He answered him, "Unbelieving generation, how long shall I be with you? How long shall I bear with you? Bring him to me." They brought him to him, and when he saw him, immediately the spirit convulsed him and he fell on the ground, wallowing and foaming at the mouth. He asked his father, "How long has it been since this has been happening to him?" He said, "From childhood. Often it has cast him both into the fire and into the water to destroy him. But if you can do anything, have compassion on us and help us." Jesus said to him, "If you can believe, all things are possible to him who believes." Immediately the father of the child cried out with tears, "I believe. Help my unbelief!" When Jesus saw that a multitude came running together, he rebuked the unclean spirit, saying to him, "You mute and deaf spirit, I command you, come out of him, and never enter him again!" After crying out and convulsing him greatly, it came out of him. The boy became like one dead, so much that most of them said, "He is dead." But Jesus took him by the hand and raised him up; and he arose. When he had come into the house, his disciples asked him privately, "Why couldn't we cast it out?" He said to them, "This kind can come out by nothing but by prayer and fasting.") Mark 9 : 17

This account of a boy possessed by the devil is an example of how Satan can sometimes possess a man's body, even for many years, with the aim of doing him harm, tormenting him in various ways, and even putting his life at risk.

---

4) Man possessed by many evil Spirits delivered by Jesus:

(They came to the other side of the sea, into the country of the Gadarenes. When he had come out of the boat, immediately a man with an unclean spirit met him out of the tombs. He lived in the tombs. Nobody could bind him any more, not even with chains, because he had been often bound with fetters and chains, and the chains had been torn apart by him, and the fetters broken in pieces. Nobody had the strength to tame him. Always, night and day, in the tombs and in the mountains, he was crying out, and cutting himself with stones. When he saw Jesus from afar, he ran and bowed down to him, and crying out with a loud voice, he said, "What have I to do with you, Jesus, you Son of the Most High God? I adjure you by God, don't torment me." For he said to him, "Come out of the man, you unclean spirit!"

He asked him, “What is your name?” He said to him, “My name is Legion, for we are many.” He begged him much that he would not send them away out of the country. Now on the mountainside there was a great herd of pigs feeding. All the demons begged him, saying, “Send us into the pigs, that we may enter into them.” At once Jesus gave them permission. The unclean spirits came out and entered into the pigs. The herd of about two thousand rushed down the steep bank into the sea, and they were drowned in the sea. Those who fed the pigs fled, and told it in the city and in the country. The people came to see what it was that had happened. They came to Jesus, and saw him who had been possessed by demons sitting, clothed, and in his right mind, even him who had the legion; and they were afraid.) Mark 5 : 1

This tale of a man possessed by a legion of evil spirits is another example of how the devil can act in a man's body, even possessing him with several Spirits at once. This means that an evil Spirit, as well as entering the body of a man, can also enter the spiritual body of another spirit, superimposing itself between them, as if they were one Spirit. By doing so, many evil Spirits can enter the body of one man, occupying a very limited space. In this Gospel account, the certain proof that it was a Legion of evil Spirits in one man was given to us by the herd of swine possessed after the man.
This account also makes us realise that by 'devil' we mean not only one evil Spirit, whoever it may be, but also several evil Spirits at once, whoever they may be.

5) Future imprisonment of the devil in the Abyss for a thousand years:

(I saw an angel coming down out of heaven, having the key of the abyss and a great chain in his hand. He seized the dragon, the old serpent, who is the devil and Satan, who deceives the whole inhabited earth, and bound him for a thousand years, and cast him into the abyss, and shut it and sealed it over him, that he should deceive the nations no more until the thousand years were finished. After this, he must be freed for a short time.) Revelation 20 : 1

This quotation from John's vision speaks of the imprisonment of the devil in the Abyss. This Abyss is located within the planet earth, hence under the earth, and this is clear from the subsequent quotations from Revelation in nos. 6 and 7.
The imprisonment of the devil in the Abyss is a fact between spirits, living in heaven, just as the imprisonment of a man on earth is a fact between men. Once the devil and his Angels are locked up in the Abyss, they can no longer tempt and torment men, having been removed from our presence.

---

6) Smoke of Satan rising from the Abyss, darkening the sun and the atmosphere:

(The fifth angel sounded, and I saw a star from the sky which had fallen to the earth. The key to the pit of the abyss was given to him. He opened the pit of the abyss, and smoke went up out of the pit, like the smoke from a burning furnace. The sun and the air were darkened because of the smoke from the pit. Then out of the smoke came locusts on the earth, and power was given to them, as the scorpions of the earth have power. They were told that they should not hurt the grass of the earth, neither any green thing, neither any tree, but only those people who don’t have God’s seal on their foreheads. They were given power, not to kill them, but to torment them for five months. Their torment was like the torment of a scorpion when it strikes a person. In those days people will seek death, and will in no way find it. They will desire to die, and death will flee from them.) Revelation 9 : 1

In this part of John's vision we have the confirmation of Satan's future deliverance from the Abyss, with the vision of a smoke, like the "smoke of a great furnace". This smoke turns out to be the same smoke that Padre Pio of Pietrelcina saw on some occasions when the devil tormented him.
The fact that this smoke is like that of a great furnace and that it darkens the sun and the atmosphere is due to the multitude of evil spirits released from the Abyss. In fact, in point No. 4 of the Gospel account there is mention of a 'Legion' of evil spirits, and surely there will be many more, for their smoke will even darken the sun and the atmosphere.

---

7) Future release of Satan from the Abyss after the thousand years and his eternal fate:

(And after the thousand years, Satan will be released from his prison and he will come out to deceive the nations which are in the four corners of the earth, Gog and Magog, to gather them together to the war, whose number is as the sand of the sea. They went up over the width of the earth and surrounded the camp of the saints and the beloved city. Fire came down out of heaven from God and devoured them. The devil who deceived them was thrown into the lake of fire and sulfur, where the beast and the false prophet are also. They will be tormented day and night forever and ever.) Revelation 20 : 7

Also in this part of the vision of the apocalypse it is clearly understood that the devil and his Angels, after the thousand years of their imprisonment have passed, will be released and will ascend from the Abyss to the surface of the earth, returning to the presence of men and tempting them for a while. After this time they will be thrown into the pool of fire and brimstone to be tormented for eternity.

22) Satan's movement under my feet.

(Accounts follow)

---

1) Random numbers dialled on a mobile phone:

In 2005, while I was in the house and recognising the presence of an ungodly Spirit, I heard and saw random numbers being typed on the mobile phone I was holding. At the same time the battery cover seemed to want to pop off as if pushed by pressure from within. The battery was okay and in fact afterwards, the mobile continued to work with the same battery. This occurrence was not repeated. This manifestation of Satan demonstrates the power he has to interfere with objects, as happened in so many other manifestations in later stories.

---

2) Manipulated and processed lump of faeces that has become denture-like:

In 2005, while I was in the house, my two-year-old nephew was also there. Looking down I saw what to me was a set of dentures but it was not. In fact, when I reached down to pick it up, I was met with the unhappy surprise that the object was a lump of my nephew's faeces, manipulated by Satan in such a way as to spite me, making it look like a set of dentures and deceiving me as he has known how to do on so many other occasions when he deceives us men.

---

3) Abnormal smell of gas inside the house:

In 2005, only a few days after the previous sign, while I was at home in the same room, I smelled an obvious gas smell, that was not coming from the kitchen, otherwise I would have noticed the gas leak and would not have even written the sign.

---

4) Bold shot of a picture inside a cabinet at home:

In 2005, in the same room as the first three manifestations and in the presence of my mother, I heard a loud bang coming from the furniture, like an object slamming against it due to the sudden movement of an evil Spirit, as also happened in other circumstances from the stories in 13,17,19, and 20. The object was definitely a picture of the members of the Holy Family measuring about 30x40 cm, which no living man knows, so it was a fake picture that I had removed from the wall in order to adore it by kissing it, as many do at the devil’s deceptive suggestion, but I quickly changed my mind and removed the picture from me. My mother had taken it and hidden it inside the cabinet; thus, when I asked her where she had put it, with the intention of throwing it away or destroying it, it was in the cabinet where the loud bang was heard. In fact, after that day, the picture was no longer seen in the house because my mother herself must have had it thrown away, since she too had heard the strange knocking and guessed what it was that had frightened her.

---

5) Towel with personal items wrapped inside suddenly untied:

In 2005, I was descending the first step of the room with the boiler. I had a towel with my personal belongings inside, tied in two tight knots to the metal bust I was wearing at the time (due to a fractured back) to make sure that the evil Spirit whose presence I sensed was not touching them.
However, I immediately saw the towel untie itself in the blink of an eye. It fell to the floor and I picked it up as I left the room. During the previous days I had had some objects brought into the room that I considered unclean, mostly images that the Lord had forbidden us with his second commandment.
The untying of the towel was a very similar manifestation to that of the untying of the chains that the Apostle Peter had when he was held in prison, although in that circumstance it was an Angel of Light and therefore visible. The testimony of the Gospel is as follows:

(Peter therefore was kept in the prison, but constant prayer was made by the assembly to God for him. The same night when Herod was about to bring him out, Peter was sleeping between two soldiers, bound with two chains. Guards in front of the door kept the prison. And behold, an angel of the Lord stood by him, and a light shone in the cell. He struck Peter on the side and woke him up, saying, “Stand up quickly!” His chains fell off his hands.) Acts of the Apostles 12 : 5

---

6) Abnormal smell of gas outside the house, away from other dwellings:

Years after 2005, while I was in the countryside, near a window in the presence of my brother and outside the house, I smelled a strong smell of gas. In fact we immediately started running, but there was no gas leak in the house and the kitchen was as far away from that window as ever.

I had placed inside the house, near the window, a picture taken down from the wall falsely depicting the mother of Jesus in order to destroy it, as I then did in observance of God's second commandment. However, the devil always does everything to make man disobey God's will, offending His glory and not respecting His sovereignty, in order to lead him to eternal damnation.

---

7) Dark smoke inside the house during the purification of a room:

(Years after 2005, while I was inside the house, I decided to remove some images considered impure from a room, including a small statue of Padre Pio of Pietrelcina, with the intention of destroying them in observance of God's second commandment. After placing some pictures including the statuette, inside a small box, a cloud of black smoke immediately began to emerge, in stark contrast to the white light that was on in that room. Along with the smoke I smelled a very noticeable and unpleasant odour that Padre Pio called 'stench'; in fact, I tried to disperse it with my hands. The odour confirmed Satan's presence even though he may be present without emitting odour or smoke; otherwise, they would have written this in the Gospel accounts because Jesus Himself would have pointed it out).

---

8) Odour attributable to the manifestation of Satan on three occasions:

The first occasion on which I smelt Satan's presence was the one mentioned earlier under No. 7.
The second occasion was when I was outdoors in the countryside to destroy some images in observance of God's second commandment.
The third occasion was inside the house on my way home; I recognised the strange smell for a minute or two. The fourth occasion was on 15/04/2025 outdoors, just after arriving in the countryside in the dark to pick up some cement. From about 8:15 pm and for about fifteen minutes, I recognised the same smell in the air.

---

9) Identical imitation of a friend's voice:

Years after 2005, while I was in the countryside in a circumstance where I recognised a certain danger due to the presence and possible action of Satan, while I was still awake in bed, late at night and in my brother's house, therefore in the dark, I heard strange noises outside like objects banging around.
At a certain point I heard myself being called at least twice from outside, in the direction of the neighbour's olive grove, and I recognised the voice of a friend named Calogero.
At that time it was impossible for my friend Calogero to be coming to visit my brother; in fact no horn was heard, no one knocked on the door, and nor could he have known that I was at my brother's.
It was a clear imitation by the devil, using the great power he received from God the Father, with which he can perfectly imitate the voice of all men on earth of any age and language.

---

10) Footprint on a dusty chair + two photos attached:

On 11/02/2021, while arranging things inside the house, I noticed this footprint on a dusty chair.
During the previous days I had written a couple of letters to one of the pastors of the Catholic Church in my city.
In the first letter, dated 31/01/2021 I recounted my waking and daytime vision of darkness on 06/01/2017, which I reported on the document "Two visions of darkness!.pdf".
As explained in this document, the vision of darkness is a reminder from the Lord (by referring to the darkening of the sun at the end of time), that the Day of Judgement is near, so I also spoke of this nearness of the Day of Judgement in the letter.
Consequently, I wanted to invite the Church to begin a purification process in the observance of God's commandments.
In my second letter of 08/02/2021 I again called upon the Church to purify itself of its errors, putting the Word of the Lord into practice, keeping His commandments, and rejecting all the works of the devil.

At the end of the letter I concluded by saying that we cannot serve God and Satan.
The devil, having seen my intentions, immediately thought to intimidate me with this print, so that I would not carry out the purification of the Church and therefore, not destroy his evil works or snatch the souls of men who by their misfortune live in his deception from his hands.
This is a clear sign confirming the evil action of the devil in our lives, to prevent the Lord from saving the souls of men and lead them with him to eternal damnation. From this we understand perfectly what wickedness lives in him.
The conclusion is that Satan, the devil, wants us all in hell!
On the existence of hell, it is also good to read the document 'Hell on earth and in the heart of the earth!'.
Below are the links to the two photos of the print that can no longer be viewed because it was accidentally ruined with polish while purifying the wallpaper in the room where the chair is located.
The wallpaper, being all printed with images of flowers, had to be painted with some product.
Sorry for those who might have been interested in seeing the print in person, in this the devil achieved his goal.

11) Dark smoke in the air in Mexico as a flock of birds fell from the sky:

On 14/02/2022 in Mexico it happened that a flock of blackbirds fell from the sky, hitting the road, as can be seen from a recorded video. As the blackbirds fall, it is easy to see them against the light-coloured façade of a house, like a dark smoke circulating in the air. Most likely it was the presence of Satan that caused the birds to fall, just as at the time of Jesus he caused a herd of swine to fall into the sea, according to the account of the Apostle Mark in chapter 5 of the Holy Gospel.

---

12) Strong blow in the ceiling polystyrene:

On 14/02/2022, after midnight, I was still awake, meditating on the adoration of images, having also seen on Padre Pio of Pietrelcina's website: a photo of him kissing the silhouette of a crucifix and the feet of a small statue we call 'Madonna', which is abominable to me but also to the Lord. I thought that anyone who keeps such things at home has the devil in the house. Immediately I heard a loud bursting sound that I have never heard, in the ceiling polystyrene. It was almost a confirmation of my thought by the Spirit of the Lord. Padre Pio was in fact often attacked by the devil for his disobedience, because of his adoration of these objects or images that the Lord has forbidden us with his second commandment, even keeping them in the bedroom.

---

13) Heavy blow to the iron door of a country house:

On 31/05/22 as I was writing a document on my tablet with the sentence 'Satan is a Spirit, an Angel of God turned evil, with the power to pass through a material object in order to possess it....', I was scared by an immediate loud crunch from the iron door of the room I was in.
At that moment the door was closed and this proves that the door was crossed at high speed by an evil Spirit, confirming my words.

14) Car doors that lock by themselves while I am inside:

On 08/04/24 I was in the car with my tablet in hand. I had just finished uploading about thirteen documents to the homepage to start a talk about purifying the Church. Immediately I heard the doors lock on their own which made me a little scared, as a potential reaction of the devil to my intentions.

15) Cast out the devil that prevented me from creating a PDF document on a tablet:

On the evening of 07/05/24, I was trying to create a PDF file, 'Two visions of darkness!.pdf', by joining two other files together for a total of five pages. However, the devil kept preventing me from doing this by displaying a random page taken from the tablet between the pages of my document. At the suggestion of the Spirit of the Lord, I drove him away by renaming one of the two files to be merged with the name "Chi ama far!!!", a phrase in dialect from my home town, which translates as "What we need to do!!!", and the file was created correctly immediately after.

16) Random letters typed while writing on tablet:

On at least seven occasions, while writing on my tablet, letters were typed randomly, preventing me from writing my document correctly. Sometimes the application would close and open randomly while I was writing. This sign is identical and confirms that of the random numbers typed on the mobile phone with the first story.

17) Swaying bottle during purification of a cabinet at home:

In 2025, while purifying a room in the house, I was removing a strip of plywood from a piece of furniture with a glued display case full of star images to destroy them in observance of God's second commandment. When I started to pull lightly with my finger on the first star to remove the entire piece of plywood, I immediately saw an empty bottle inside the cabinet sway noticeably. Having made several tests to see if I could cause the bottle to wobble to no avail, we can say that Satan was present in the star-filled cabinet and that he immediately escaped through the bottle.

18) Alarm clock (not set by me) ringing repeatedly after switching it off:

On 10/03/2025, for the second time in less than a month, the alarm clock went off every five minutes or so, although I always turned it off with the same button. This shows the possibility that Satan can be present in objects, manipulating them at will or interfering with them in some way, as happened in so many other manifestations in the previous stories.

19) Crackling from some bricks with the image of the moon:

On 20/04/2025 while dismantling the floor of a room due to the embossed image of the moon being present on the bottom of the bricks, almost halfway down, when I began to remove the last strip of bricks that were not whole, close to the wall, in the total silence, I immediately heard the movement of a brick in the pile placed on the windowsill, almost as if a Spirit were trying to escape from them.
I felt the movement of the brick immediately after I placed my screwdriver on the first brick to be pulled, which I used as a measure to see if the image of the moon fit into the piece of brick.

20) Ripple from a bag with unpurified bottles:

On the morning of 28/05/2025, while I was editing documents about the purification of the Church on my tablet, I heard a rattling or movement inside a rubbish bag with glass bottles, old meat tins etc. that were less than a metre away from me. I had not put anything in the bag since I was in the kitchen and at that moment I was standing still.
Among the images contained in the bottles was also a small figure of a human being, and this is enough to justify Satan's movement among the objects as a matter of irritability, seeing me always working to counter his demonic action against men.

21) Speaker interference of about two minutes, which had never happened before:

On the afternoon of 20/08/2025 I decided to purify a room that had not yet been done, dividing the plastic, glass and other materials, mostly containing images of what the Lord has created in heaven and on earth, piling everything on the floor. The next day while listening to music with the loudspeaker on, I filled the car boot with that material to make a delivery to the dump. At a certain point the loudspeaker that was playing less than three metres from the car started to pick up interference that lasted for about two minutes, something that has never happened before. This showed the presence of the Spirit of Satan in the material put into the car because of the images in the various objects.

22) Satan's movement under my feet:

On the afternoon of 23/10/2025 while I was in the car writing things down, I felt a very noticeable roar or movement of a Spirit under my feet. I had never felt this before, either in the car or anywhere else. I even lifted the mat to see if there was any impure image, but nothing. This manifestation of Satan that God allowed or willed demonstrates the devil's submission to my will, or rather to God's will. This is manifested by means of the site that is being continually updated at this time, so that the Lord's will may be put into practice, counteracting the devil's evil action that continually induces us to disobey God's Spirit, for our eternal damnation.
