'The Mission of Jesus'

(Three mighty works in the name of the Father, the Son and the Holy Spirit)

Through the mission He received from God the Father, Jesus performed three mighty works never before performed by anyone, confirming that He is truly the Son of God and at the same time, a true sign for us of His Divinity and the very words of His preaching.
The three mighty works perferomed in chronological order or at least in order of importance, are:

1) Powerful preaching of the Gospel.
2) Powerful and numerous miracles among the people.
3) His powerful resurrection without anyone's intercession.

With these three great works accomplished together in just about three years, the Lord Jesus exalted the glory of God, in the name of the Father, in His own name as the Son of God, and in the name of the Holy Spirit, confirming, as said before, His Divinity and the words recorded in His Holy Gospel. These words that He spoke recalling the Divinity of the Spirit of God the Father, present in Himself and in Jesus, His Son, consist of the following command to His disciples:

(Go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I commanded you. Behold, I am with you always, even to the end of the age.” Amen.) Matthew 28 : 19

With this command, Jesus instructed His disciples to baptize all people as an important beginning of a spiritual rebirth, in the same way as it was an important moment for Him at the beginning of His own ministry, which, for its duration is also another sign from Him.

(1)

The powerful preaching of the Gospel is the most important event because its purpose is to lead people to complete obedience to God, without which no miracles can be obtained from God and even Jesus could not have risen from the dead, or at any rate not at that time but rather later, like all men.
In fact, doing God's will is more important than the healing of our sick body and our own resurrection. What use is it to a sick man to be healed of his illness or a dead man to be resurrected if he then ends up in the fires of Hell for offending God by transgressing the commandments, demonstrating a lack of love for our Creator who gave us life and the hope of being able to live eternally in a wonderful kingdom after bringing us out of the grave?

Jesus’ many and powerful miracles are a clear sign that He is the Son of God, even though in the centuries before Him, miracles worked by other men were not lacking, but they were certainly not on the same scale, due to the magnitude and number of miracles in a short period of time.

The mighty resurrection of Jesus is another clear sign that proves His Divinity because no man before Him has ever been resurrected without someone first calling upon God; nor has it ever happened in the centuries after Him and never will it happen again, except at the resurrection of the dead at the will of God Himself, as prophesied by Him in the book of Revelation.
