"Two great signs from heaven!"
(Closeness of the Day of the Lord!)

The Lord Jesus prophesied by saying the following:

(When you hear of wars and disturbances, don't be terrified, for these things must happen first, but the end won't come immediately." Then he said to them, "Nation will rise against nation, and kingdom against kingdom. There will be great earthquakes, famines, and plagues in various places. There will be terrors and great signs from heaven.) Luke 21 : 9

With the signs from heaven that are reported in this letter we can say that this prophecy is completely fulfilled. The signs that confirm the fulfilment of the prophecy are as follows:

1) Wars and revolutions that we have known about for a long time.
2) Earthquakes in various places, even very strong ones.
3) Famine and pestilence, which have not been lacking for a long time.
4) Terrifying facts, such as the attack on the Twin Towers in America in 2001, absolutely terrifying, because of what the devil did on that day, without knowing what the devil is capable of doing through his wickedness and hatred towards us and towards the Lord. In truth, we can affirm that were it not for the divine protection of God the Father towards us, the devil, by his wickedness and power, would kill all human beings all over the earth in a single day, or even in a few hours, or immediately, having the certain co-operation of all other evil spirits like himself, making man disappear from the earth as if he had never existed.
5) Remarkable signs from heaven, such as the two question marks below.

'Question mark of white clouds in a blue sky'

The Lord Jesus also prophesied saying:

('It will be in the last days, says God, that I will pour out my Spirit on all flesh. Your sons and your daughters will prophesy. Your young men will see visions. Your old men will dream dreams. Yes, and on my servants and on my handmaidens in those days, I will pour out my Spirit, and they will prophesy. I will show wonders in the sky above, and signs on the earth beneath: blood, and fire, and billows of smoke. The sun will be turned into darkness, and the moon into blood, before the great and glorious day of the Lord comes.)
Acts of the Apostles 2 : 17

This question mark made out of clouds appeared in the sky on 5th February 2022, while I was in the countryside in the Fegotello district of S.Elia. The question mark was clearly visible and well formed, with the little cloud that made a dot perfectly in line with the hook, which had no signs of imperfections. Otherwise one could not have said it was a question mark. It was not possible to photograph it because of my shoddy mobile phone and because I am not used to taking pictures. But the Lord provided another sign equal to this one which was photographed and is on the Internet for all to see, confirming the meaning attached to the first question mark.

'Interpretation of this question mark made with clouds'

The very fact that this question mark has appeared in a completely blue sky makes us realise that it is most likely, if not certainly, a sign from the Spirit of God, working His wonders from heaven as always, to communicate some message to us.
This question mark is linked to me and is God's answer or confirmation to a question I asked those around me on 'Sunday 9th January 2022', writing it on a sheet of paper I called "The Sign of Signs".
I have attached a copy of this sheet to the bottom of this document, after deleting the part that does not interest us for the moment. On this paper I wrote a list of words consisting of signs mostly related to my person, some with clear reference to the prophet Elijah, and at the end I wrote the following sentence:
"Question: Am I Elijah?"
I wrote the question mark about seven times bigger than the question, as can be seen from the attached document. What we should therefore be interested in is the question mark and the day on which I wrote the question, i.e. 9Th January 2022, for the following two reasons:

(1)

The question mark because in reference to this, the Lord gave us two clear and evident signs in the sky: two question marks in the space of a little over a year, twice confirming my question.
The time elapsed between the first and the second question mark should not seem so long, because for the Lord a single day is like a thousand years and a thousand years are like a single day, according to the following statement by the Apostle Peter:

(But don’t forget this one thing, beloved, that one day is with the Lord as a thousand years, and a thousand years as one day.) 2 Peter 3 : 8

Based on this calculation, we obtain that 506 days passed from the date of the appearance of the first question mark to the date of publication of the second question mark (5th February 2022 to 26 June 2023), which corresponds to 1.39 years.
On the basis of the time passed as the Lord sees it, we realise that the second question mark was given to us just (two minutes) after the first question mark, making the following equation:

1000 (years): 1440 (minutes in 1 day) = 1.39 (years) : x (how many minutes?).

Therefore a very short period of time has elapsed for the Lord, resulting in:

x = (1440 x 1.39) : 1000 = 2 minutes.

(2)

The day I wrote the question, because it coincides with the day of Jesus' baptism, performed by John the Baptist. He was the Elijah who prepared the people of that time by cleansing them of their sins, to receive the Lord Jesus in a condition of life worthy of the Lord's presence.
The fact that I wrote this question on the day of Jesus' baptism, not on purpose, is also a clear sign referring to the prophet Elijah, or rather the Elijah of Jesus' time, in the person of John the Baptist, as the forerunner of that time.
The following quote makes us understand the link between the prophet Elijah and John the Baptist:

(His disciples asked him, saying, “Then why do the scribes say that Elijah must come first?” Jesus answered them, “Elijah indeed comes first, and will restore all things; but I tell you that Elijah has come already, and they didn’t recognize him, but did to him whatever they wanted to. Even so the Son of Man will also suffer by them.” Then the disciples understood that he spoke to them of John the Baptizer.) Matthew 17 : 10

'Question mark in space and my interpretation'

The image of this question mark in space was published on 26th June 2023, probably the same day as the discovery or a few days later, and in any case just two days after the nativity of John the Baptist.
This makes us realise that the sign is related to the person of John the Baptist, thus to the Elijah of Jesus' time, but also to my person, according to the interpretation of the first question mark, confirming it.
So, from the question I have written we can derive five clear and obvious signs that refer to the prophet Elijah, John the Baptist, and myself simultaneously, which are:

1) First question mark with clouds in the blue sky 5th February 2022.
2) The day of the question I wrote, coinciding with the baptism of Jesus (Sunday 9th January 2022).
3) The name of the rural area where the first question mark appeared: contrada Fegotello di S.Elia.
4) The second question mark in space 26th June 2023.
5) The day of the discovery of the second question mark near the nativity of John the Baptist.

The fact that I got five signs from my question, all linked together, makes us realise that the interpretation of the two question marks is correct, and that they have a single meaning.
Referring then to Joseph's interpretation of the dream of the Pharaoh of Egypt in Genesis 41:17...32, we can say that having obtained two question marks in the sky from my question means that in our case too, this leaves no doubt.

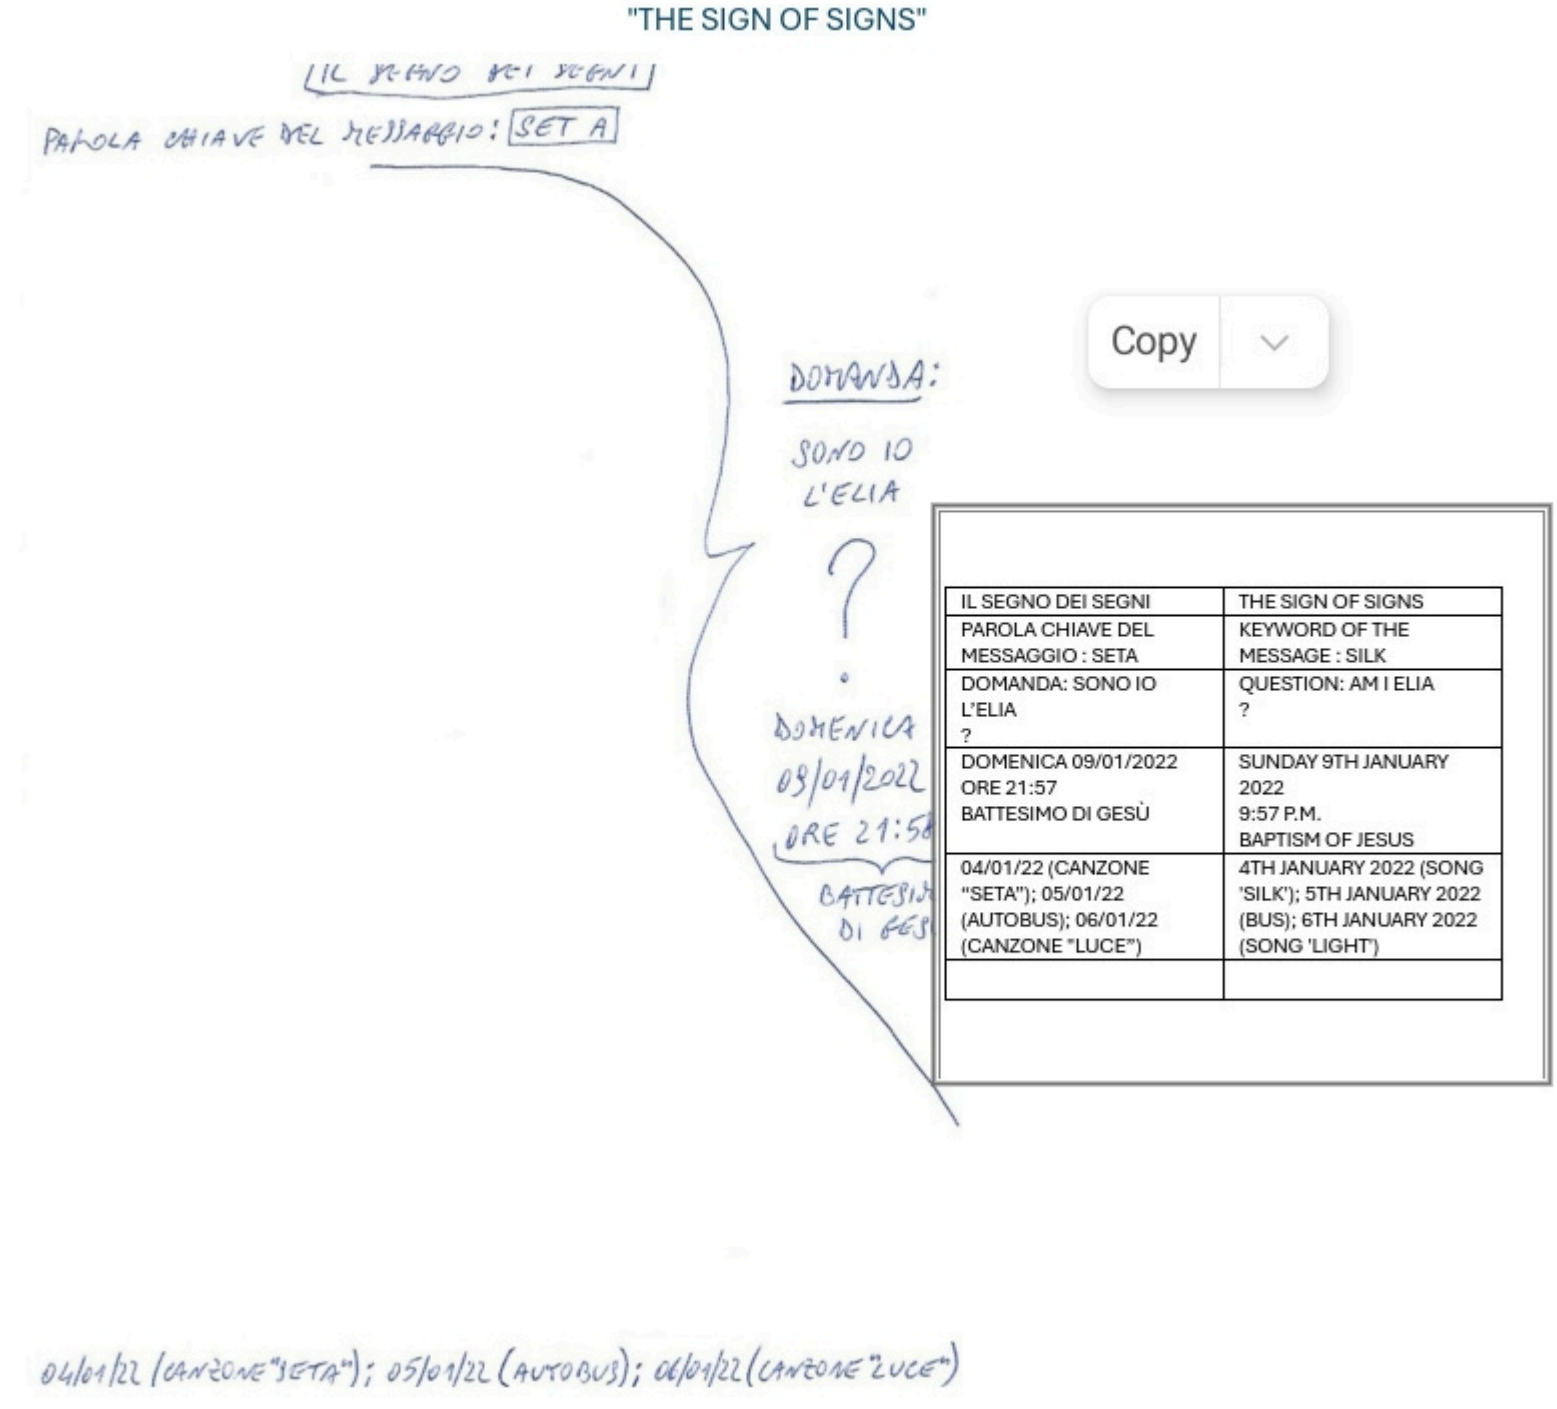

If we then also consider the two visions of darkness reported in the reference document, then having received two visions of darkness plus two question marks in the sky, we can say that this is more than certain.
What is the Lord telling us with these two question marks in the sky?

If I wrote (Question: Am I Elijah?), with a big question mark, then the Lord says: (You are!).

It is clear from all these signs that the day of the Lord is indeed near, and that we should heed and put into practice the teachings of the Lord Jesus from the following Gospel quotation:

(Then they will see the Son of Man coming in a cloud with power and great glory. But when these things begin to happen, look up and lift up your heads, because your redemption is near." He told them a parable. "See the fig tree and all the trees. When they are already budding, you see it and know by your own selves that the summer is already near. Even so you also, when you see these things happening, know that God's Kingdom is near. Most certainly I tell you, this generation will not pass away until all things are accomplished. Heaven and earth will pass away, but my words will by no means pass away. "So be careful, or your hearts will be loaded down with carousing, drunkenness, and cares of this life, and that day will come on you suddenly. For it will come like a snare on all those who dwell on the surface of all the earth. Therefore be watchful all the time, praying that you may be counted worthy to escape all these things that will happen, and to stand before the Son of Man.") Luke 21 : 27
